### Esther as a Type

**Es 5:1 ¶ Now it happened on the third day that Esther put on her royal robes and stood in the inner court of the king's palace, across from the king's house, while the king sat on his royal throne in the royal house, facing the entrance of the house. 2 So it was, when the king saw Queen Esther standing in the court, that she found favor in his sight, and the king held out to Esther the golden scepter that was in his hand. Then Esther went near and touched the top of the scepter.**
