For Jews Request a Sign.....  
Part Two  
Study Questions

1). Read Genesis 1:3-5, 8 and 13 – What would we particularly want to note from these verses?

a). Read Genesis 1:19 – Is this the same as we saw in the verses from the last question?

b). What has taken place immediately before this verse?

c). Are the sun and moon the producers of the light which divides day and night?

d). What is the scripturally stated purpose why God ‘made’ the sun and moon?

e). Why do you think God thought it necessary to have physical objects to mark the transition of day and night?

f). What does it mean that the sun and moon are for seasons and for days and years and which scriptures did we look at in connection with this?

g). What particular truth for ourselves should we focus on with each passing day and night?

2). Apart from seasons, days and years, what else are the sun and moon for and which scripture did we look at that tells us who they are for?

a). Read Genesis 17:9-13 – what sign is given in these verses and what is significant about it?

b). Read Exodus 12:13 – what sign is given in this verse and what is significant about it?

c). Read Exodus 31:16-17 – what sign is given in these verses and what is significant about it?

d). Taking these 3 signs together what do they all point to and how does this compare to the sign given through the sun and moon?

3). Read John 2:23 – What do we see taking place in this verse?

a). Read John 20:30-31 – What is significant about that which John writes in these verses?

b). What is the same and what is different about the signs given during the Lord's earthly ministry and the previous 3 signs we have looked at?

c). Read Mark 10:6, Mark 16:20 and Acts 3:6-8 – What can we learn about signs from these verses?

d). Any final thoughts?
