For Jews Request a Sign.....
Part Twenty
Study Questions

1). We are going to do something a little different this week – We are going to take some of the slides from the Power Point presentation and we are going to talk through the scriptures to see how they fit on the timeline – So please have those scriptures to hand.

Tribulation Begins **John / Jonah / Daniel / et al**
Daniel's 70th Week

2). Additional Question if time permits – Read Matthew 14:22-32 – What additional details do we get from Matthew’s account of the sign recorded in John and what might we learn from them?

Any final thoughts?
