Part Six
Study Questions

1). Read Hebrews 11:3 – What does it mean that the ‘ages’ were framed by the word of God?

a). What is it about our ‘faith’ [what do we believe] that enables us to understand this?

b). In which 2 places have we been looking to see God’s purpose for the ages specifically laid out for us and which other scriptures did we look at in connection with this?

c). In Genesis we see the foundational pattern for restoring a ruined creation as 6 days followed by a 7th day. Why in John’s Gospel does the Holy Spirit also draw attention to 3 days as well as 7 days?

2). Read John 2:1-2 – What does this wedding foreshadow?

a). Thinking about this future event, what are the 2 ways we should understand Jesus's mother being there?

b). What event must take place in the heavens before that pictured through the wedding in Cana and what do both these events share in common that makes them possible?

c). What do we know about the place called Cana and why might this be significant? [Don't forget the scriptures]

3). Read John 2:6-10 – Why are there 6 waterpots and what is significant about that which they are made from?

a). What are they filled to the brim with and what do we learn from this?

b). What happens to the water in the waterpots and which scriptures did we look at that prophetically describe that pictured through the waterpots?

4). Read Matthew 26:27-30 – What do we learn from v28?

a). What does the Lord tell His disciples in v29?

b). What connection is there between what the Lord tells His disciples in v29 and the wedding in Cana?

c). Where in scripture do we find the foundational type for that spoken about on the night of the last supper and that pictured through the wedding in Cana?

d). Read Psalm 110:4-6 and Hebrews 5:5-6 – How do these verses connect with the foundation in Genesis, the night of the last supper and the wedding in Cana?

e). Read Psalm 104:14-15 and Genesis 9:20-21 – Why did Noah become drunk?

Final thoughts?
